- **Minutes**
 - No motion to approve Februarys meeting, will get at next meeting
- **Introduction / Announcements**
 - Inspirational Video
- **Gift Baskets – Gail Jorgenson**
 - Gail is putting together gift baskets for the Boise Web Team
 - Contact Gail if your agency has anything to contribute
- **SIG / gisidaho Website Update – Eric Wing**
 - SIG, SWIG, and SDC agreed to have gisidaho.org domain hosted by Boise City's Web Team
 - Will still have editing and updating capabilities for each entity
 - Will provide more support and training
 - Web Team has goal to have samples ready by the end of next week for our review
 - Will review / discuss this at next meeting
- **RGAC Updates**
 - Continued progress with RDI
 - Plan will include software requirements, hardware requirements, etc.
 - On track to finalize plan by the end of April
 - Hope to implement by the end of September
- **Round Robin**

- Boise
 - Eric Wing – GIS volunteer opportunity
 - July 1st - kids activity at Watershed Center
 - Learning contours
 - Contact Eric if you are interested
- Ada Co. Sheriff's Office - Travis Tyson
 - 911 CAD Software RFP Update – TriTech was selected just waiting for contract signatures.
 - Will visit another 911 communication center already using TriTech to spend a day with their GIS guy to learn how it works from a GIS user's experience rather than what TriTech's GIS training may or may not cover.
 - System Training begins in June/July
- Ada County Assessor
 - Joey Diehl - has been working with NHD
 - Time consuming
 - Not high priority with current workload
 - Doug suggested this project may have opportunities for students
- Ada County Weed Pest and Mosquito
 - Geoff is working on odor phone application
- ACHD
 - Working on pothole notification application
- Idaho Military Division
 - UX5 Aerial Imaging Rover unit able to produce 4cm imagery
- Next Meeting
 - Tentatively July 10th
