Ada County Dispatch Updates

- Tyson Taylor was not able to make the meeting

GIS Day (Sat the 16th)

- Taking place at the Boise WaterShed
- Proposed presentation: Colorblindness activity- different colored lazer pointers with colorblind contestants. Demonstrate proper map symbology colors, here from a professional on colorblindness, etc.
- Talked about possible activities for kids and families at the event
- Jim will send an email to set up planning and volunteers

Round Robin

- Ryan went over a variety of new IDWR projects
- Meeting was adjourned to allow time for the tour

Meeting adjourned at 9:00AM

60 Min tour of the Wastewater Treatment Facility

Interesting tour facts:

- over 50% of the Boise River water comes from this facility
- No chemicals are used in the water treatment
- the sludge ponds may or may not have 8 foot catfish in them
