

Ada County Mapping Co-Operative Special Interest Group (SIG)

Meeting Minutes

May 21, 2015

9:00 AM to 10:30 AM

Location: Ada County Hwy District

Attendance:

Chuck Spencer	Sharon Anderson
Jim Hetherington	Karla Baker
Corey Staver	Travis Tyson
Ken Pidjeon	Anne Kawalec
Stacey Shaffer	Brett Sergenian
April Wing	Eric Adolfson
Gail Jorgenson	Eric Wing
Emily Dixon	

• **Minutes**

- Meeting opened at 9:00am
- Chuck S. motioned to approve March's minutes, April W. seconded. Approved.

• **Introduction / Announcements**

- Looking for volunteers for November SWIG Meeting 21st

• **Training opportunities, conferences**

- ESRI User Conference – July 20-24th, San Diego.
- SWIG meeting – June 5th, City Hall West
- URISA GIS-Pro & NWGIS 2015 Conference – October 18-22nd, Spokane.

• **June 5th SWIG Preview**

- Eric gave a brief overview of the presentations, stating this meeting's emphasis is on public safety. However, everyone will benefit from the presentations that will be given.

• **Geocortex User Group Update – Gail**

- At the last meeting we discussed the parity between the new HTML 5 viewer vs Silverlight. The main conclusion was HTML 5 just does not have all the tool and functionality needed at this time and can only be used in limited applications. The meeting location is at ACHD Site R. Anyone is welcome to attend, just have them send an email so I can add them to the contact list and send them location directions.

• **Putting Sense into Census Data – Eric Wing, GISP**

- Eric presentation showed how Boise is taking the American Community Survey data (managed by the US Census Bureau) and processing it into geodatabase feature classes with more intelligible attribute names and the ability to support time-enabled mapping.

• **Round Robin**

- Compass – Outreaching to various member agencies on how Compass can help them meet their needs.
- Ada County Assessor's Office – Finished updating property tax assessments.
- City of Boise – Working on simplifying census data.
- Ada County Hwy District – Continued work on updating Storm Drain layers, decision made to continue using Silverlight viewer for GeoCortex, currently HTML5 does not provided needed functionality.
- Gowen Field – They are continuing to do more testing with drone technology.

• **Closing**

- Karla adjourned the meeting as 10:450am
- Next meeting scheduled for July 9th at ACHD Auditorium
