## Round Robin

Gail Jorgensen (Ada County Highway District)

- AutoCAD to GIS conversion - they have written an SOP.
- All export will have a section corner, and will show only stormdrain, irrigation, edge of pavement, and sidewalk.
- City of Meridian has very strict CAD format standards, and they will lock up the developers money until the standard is followed.

Anne Kawalec (Ada County Assessors)

- Boise Elevated is a group of developers that want to streamline the platting process. Some improvements so far include they no longer spray and adhesive on the mylars and the city, county, and highway district have begun doing concurrent reviews of subdivisions

Mike Hickok (Ada County Assessors)

- Mike is building a mobile app for the Assessors to use in the field using SQL Express.

Kevin Smith (Suez Water)

- Kevin is currently using the Data Reviewer extension in ArcGIS for QA and thinks it works quite well.

Emily Dixon (City of Boise)

- Emily built a web map to report streetlight outages.
- <http://gis.cityofboise.org/StreetlightOutage>

Katey Jones

- City of Meridian is moving away from Trimble products and will start using iSxBlue II + GPS with ArcPad or Collector for ArcGIS software

Brett Sergenian (COMPASS)

- Brett is working on moving data to a travel demand model network.

## Closing

- Meeting adjourned at 10:50 AM.
- Next meeting will be December 8, 2016 at 3pm at The Ram Restaurant & Brewery, 709 E Park Blvd, Boise, Idaho
